TECHNICAL BULLETIN

'HANDY HELEN'
Ammoniated Alkaline Detergent

DESCRIPTION:

HANDY HELEN is a pink coloured alkaline detergent formulated with ammonia for a fresh sharp just cleaned finish.

HANDY HELEN is perfectly safe to use in food preparation areas, and will not taint or affect food stuffs in any way. It is non toxic at recommended dilution, non flammable and non staining.

AREAS OF APPLICATION:

WASHING FLOORS:	1 part HANDY HELEN to 80 parts water for vinyl floors. 1 part HANDY HELEN to 40 parts water for ceramic floors.
WASHING WALLS:	1 part HANDY HELEN to 40 parts water for tiled walls. 1 part HANDY HELEN to 80 parts water for painted surfaces.

HANDY HELEN can be used on soiled workshop concrete floors at a dilution from 1 part to 5 parts of hot water. Apply and allow to stand for 5 minutes if badly soiled. Scrub / hose or rinse off. It is recommended to squeegee the area to facilitate quick drying of these floors.

SHELF LIFE:
As a quality assured manufacturer, Castle Chemicals has a stringent Quality assurance programme. As part of this regime, the label on this product shows a batch number and date of manufacture. This product has a shelf life of 12 months from the label printed date of manufacture.

FOOD SAFETY STATEMENT
