# AUTOMOTIVE & VEHICLE CARE

## Castle Chemicals Commitment

Since 1972, Castle Chemicals has built its reputation on the manufacture and supply of innovative, value-added products, systems and services.

IOS 9001, Quality Management Systems status became part of our culture in 1994. We have used this system approach to business to drive continual improvement in product development, quality and process traceability.

A simple business strategy developed in 1972 by the late Des Barrack, the founder, still sets the standard for Castle Chemicals into the future. "We work hard to earn the loyalty of our customers by providing innovative quality products that get the job done, along with experience, service and training that is carefully designed to meet our customers needs."

### EXTERIOR

**Aluclean** - Aluminium cleaner and brightener; hydrofluoric acid-free formula.

**D-Wax** - Solvent-based, new vehicle travel wax remover.

**Easy Glow** - High-gloss car polish that will clean, polish and protect in one application.

**Fleet Wash** - Economical vehicle wash detergent.

**Hydrakleen** - Powerful spray-on wipe-off detergent and water-based degreaser.

**Kemsteam** - Highly alkaline, extra heavy-duty liquid pressure washer additive.

**Mean Green** - Liquid "no streak" car and truck shampoo. Foam, brush, sponge or spray application.

**New Bright** - Liquid car and truck shampoo with wax for hand washing all vehicles.

**Prime Mover** - Concentrated truck and trailer cleaning gel. Neutral pH reduces fading of paintwork and vinyl curtains. Spray, foam, sponge or brush on.

**Proclean Monster** - Economy-grade truck and car wash for hand application.

**Splish Splash Super Soap** - A touch-free car wash detergent.

**Sumo** - High-performance, water-based foaming car and truck wash detergent.

**Touch Free Supersoap** - Touch-free car wash detergent system.

**Wax Gloss** - A neutral, buffable Carnuba wax emulsion.

### INTERIOR

**Renew All** - Vinyl protection and reviver.

**Auto Clear** - Vehicle glass cleaner.

### TYRES & DEGREASERS

**Blitz** - "Quick Break" engine bay degreaser.

**Clear Cote** - Is a non-silicone liquid system formulated to give a new tyre matte finish.

**Hi Beam** - High-gloss tyre and bumper finish.

**Kleen-Brake** - Fast evaporation solvent; brake and drum cleaner.

**Samurai** - Water-based, clear, low-viscosity biodegradable truckwash/degreaser.

**Limo** - Concentrated natural solvent degreaser; can be diluted with water for use.

**Ninja** - Water-based non-solvent cleaner/degreaser.

**Tyre Black** - Water-based, premium tyre and rubber dressing.

**Degrease** - Concentrated degreaser solvent.

**Tyre Slick** - High-performance tyre and rubber trim dressing that produces a deep, high-gloss shine on all exterior rubber and plastic surfaces.

**Xtreme** - High-performance safety degreaser.

**DegreaserSolve** - Ready-to-use solvent degreaser.

**Exhaust Clean** - High-activity, low-foam additive specifically formulated for use in the exhaust scrubber tanks of locomotives and personnel carriers used in underground mining operations.

### CEMENT, PAINT & TAR REMOVAL

**Agi Safe** - Non-acid concrete truck agitator cleaner.

**Crete Ban** - Acidic concrete remover and cleaner.

**Mortar Blast** - Non-acid cement stain remover.

**KemCarb** - Cold-immersion pain and carbon remover.

**Bitusol** - Economical, fast acting bitumen solvent cleaner designed to dissolve/remove and emulsify bitumen deposits from metallic, concrete, painted and other surfaces.

### OTHER

**Aquafloc** - Carwash fine particle coagulant and flocculant.

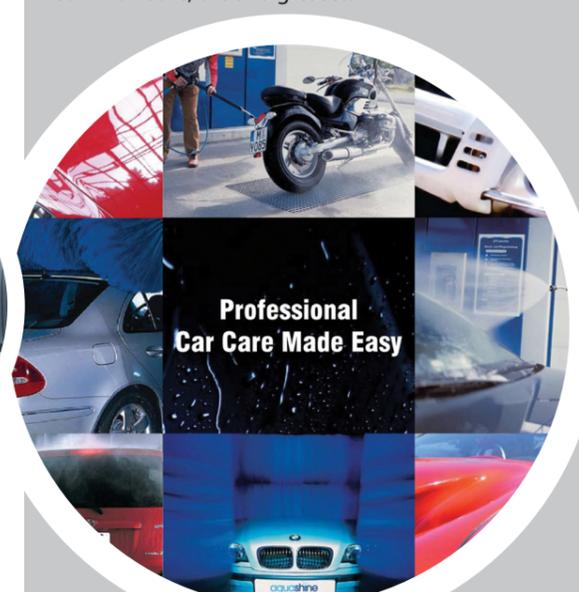

**Caustic Soda Liquid** - 50% sodium hydroxide.

**Lab 779** - Radiator cooling system conditioner. Protects metals from corrosion and cavitation, and prevents mineral salt build-up.

**WD Formula** - Penetrating lubricant and rust prevention.

**Dispers AI** - Hydrocarbon dispersant/neutraliser

**Kloralkafoam** - Complex synthetic detergent, which exhibits superior wetting, penetrating and chemical degradation of common soils, oils and greases.

For fully-integrated automatic carwash solutions, Castle Chemicals' AQUASHINE range can provide a solution that best suits your car care needs.

AQUASHINE has been specifically developed to address every stage of the car wash process.

- S1** - Self-serve car wash pre-treatment
- S2** - Self-serve car wash tyre and engine cleaner
- S3** - Self-serve car wash pressure wash
- S4** - Self-serve (pink, blue, red, yellow) foaming brush wash
- A1** - Auto brush-wash foam detergent
- A2** - Auto brush-wash low-foam car shampoo
- A4** - Non-silicone rinse gloss

**Premium Rinse Gloss** - Is a concentrated, fast-acting drying aid & wax agent with gloss enhancers designed for automated car-wash facilities. Utilizing the latest silicone technology.

**Premium Shine & Conditioner** - Used as a supplement to Premium Rinse Gloss, Premium Shine and Conditioner visibly boosts the high-gloss finish on vehicle surfaces and protects against weathering and re-soiling.

**Aquashock** - Touch-free, foaming, alkaline/solvent-based one-step vehicle wash. Effectively removes road film, exhaust deposits and bug residue.

**Touch Free Low pH** - Touch Free Low pH is designed to be utilized as the first step in a two-step touch free wash process.

**Touch Free High pH** - Touch Free High pH is a highly-concentrated alkali vehicle touch free wash.

**Power Wash** - Is a powerful, one-step vehicle wash formulated to remove road film, exhaust deposits and bug residues.

**Aquashine Fragrances** - Highly-concentrated fragrances for long-lasting, pleasant odour control.

Available in:

- Spring floral
- Tropical vanilla
- New car
