End Programming	Enter	Enter

NEW PROGRAM
This option will only be displayed if the dispenser has not been programmed the first time. Press ENTER to enter a new program. When entering a new program ↑ and ↓ are used to move to the next option. ← and → are ignored. If no key is pressed for two minutes, NEW PROGRAM mode will be exited, the company logo will be displayed, and all entries will be saved.

(Probeless Mode Only/Detergent Alarm)
