

First Impressions Matter

Save up to 50% in time

Wall Clean

Ensure your auto and self-serve customers have a positive first impression by using Castle effortless wall cleaning system, Wall Clean.

Wall Clean is heavy-duty readily biodegradable, acid based cleaner for use on detergent, wax scum and hard water that builds up on walls, metal and glass. Wall Clean has made the dreaded task of cleaning walls a simple and easy job. Best applied by using a spray bottle, spray pack, leave for 10-15 seconds then using a high pressure rinse gun or pressure washer – rinse off thoroughly. Dilution : can be diluted up to 1: 10 depending on build-up and frequency of cleaning.

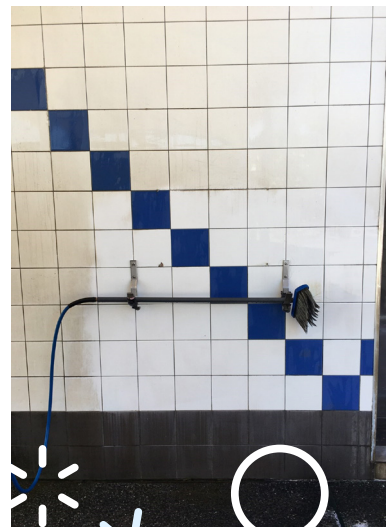

Forget outdated chemical technology - Wall Clean makes cleaning easy
