Avondale Foods have their cleaning products supplied by Castle chemicals.

We have found that Castle chemicals have been reliable and helpful in supplying and giving us information to achieve the best results in our cleaning.

Their sales Rep has been visiting us on a regular bases giving useful information on the products we use and advising us on any new products that Castle Chemicals might have on the market.

To Avondale foods not only are the cleaning chemicals important but also the training in using the chemicals supplied to us. Castle chemicals were able to also train our staff in using the Chemicals and supplied the MSDS.

Castle chemicals have helped Avondale pass in Audits for cleanness of equipment.

Avondale foods congratulate Castle chemicals on supplying excellent customer service.
