Sandgate NSW 2304

Dear Alex

Subject: Castle Chemicals Testimonial

The professionals at Castle Cleaning Solutions are knowledgeable and experienced in all aspects of the cleaning & sanitation industry. Charlies Drinks have been using their products for over 12 months now and have always found the product to be of high quality. The service given by the local representative has been excellent and if an issue does arise, we can rely on him to be onsite promptly.

I would recommend any business thinking about using Castle Chemicals, to make the change and enjoy the benefits

Regards,

Derek Pfitzner
