

'Solutions, Chemistry, Service'

Concrete & Asphalt Cleaning Solutions

Castle Chemicals Commitment

Since 1972, Castle Chemicals has built its reputation on the manufacture and supply of innovative, value-added products, and solutions.

ISO 9001, Quality Management Systems status became part of our culture in 1994. We have used this systems approach to business to drive continual improvement in product development, quality and process traceability.

A simple business strategy developed in 1972 by the late Des Barrack, the founder, still sets the standard for Castle Chemicals into the future. "We work hard to earn the loyalty of our customers by providing innovative quality products that get the job done, along with experience, service and training that is carefully designed to meet our customers needs."

CONCRETE REMOVAL FROM TRUCKS

DOSING EQUIPMENT AVAILABLE

AGI-SAFE:

Concentrated and powerful acidic organic salt cleaner with a corrosion inhibitor that leaves a sheen on the barrel.

AGI-BLAST:

Ready-to-use acidic organic salt cleaner with a corrosion inhibitor that leaves a sheen on the barrel.

AGI-GEL:

Ready-to-use acidic organic salt **GEL** cleaner that provides extended contact time, with a corrosion inhibitor that leaves a sheen on the barrel.

MORTAR BLAST:

Acidic organic salt cleaner with corrosion inhibitor; chelating agent for improved efficiency. Suited to alloy formwork cleaning.

CRETE BAN:

Acidic concrete remover with wetting agents and corrosion inhibitor - hydrochloric acid system.

HAND CLEANERS

COMPLETE RANGE OF INDUSTRIAL PUMPS

WORKMAN:

Industrial style natural solvent with polygрит, medium viscosity.

HANDMATE:

Heavy-duty pumice grit, natural solvent cleaner.

CIT SCRUB:

Light citrus fragrance gel hand cleaner that contains citrus-derived solvents and polygrit which cuts through stubborn stains.

KLENZE GOLD:

Biodegradable gel hand cleaner with lemon scent; prevents dry skin as well as removing stubborn, ground-in soils.

DEGREASERS

BLITZ:

Caustic and glycol solvent detergent cleaner/degreaser used on hard surfaces in engine bays.

HYDRAKLEEN:

Multi-purpose solvent detergent cleaner that exhibits a strong Work Health & Safety profile.

NINJA:

New technology surfactant system blend, solvent-free - with improved Work Health & Safety profile.

XTREME:

Concentrated solvent detergent cleaner that breaks up grease and oil on workshop floors.

TRUCK WASHES

COMPLETE RANGE OF FOAMING EQUIPMENT AND PRESSURE WASHERS AVAILABLE

PRIME MOVER:

Powerful, multi-purpose, concentrated foaming liquid. Safe for use on any surface and can be used for manual washing.

BIG BLUE:

Economical multi-purpose truck and car wash.

NEW BRIGHT:

Truck and car shampoo and wax; leaves a high-lustre finish.

BITUMEN RELEASE AGENTS & CLEANERS

PROPEL:

Biodegradable derived vegetable oil used as a bitumen release agent for **all types of asphalt** and also be used as a release agent for concrete.

SLICK EM RTU:

Ready-to-use biodegradable blend of low-dyne surface active agents, boundary lubrication polymers and film strength modifiers. Petroleum solvent free, soy and bio-solvent free.

SLICK EM ULTRA:

Concentrated biodegradable blend of low-dyne surface active agents, boundary lubrication polymers and film strength modifiers. Petroleum solvent free, soy and bio-solvent free.

BITUSOL:

Economical, fast-acting bitumen solvent cleaner designed to dissolve, remove, and emulsify bitumen deposits from painted, and other surfaces.

SPECIALTY CLEANERS

KLEEN BRAKE:

Disc and drum brake solvent cleaner.

ALUCLEAN:

Aluminium cleaner and brightener.

HI BEAM:

High-gloss tyre and bumper finish.

RENEWALL:

Vinyl protection and reviver.

TYRE SLICK:

Non-silicone tyre and rubber rejuvenator.

KEMCARB:

Concentrated cold tank parts cleaner/decarboniser.

DESCALE P:

Concentrated acid rust remover and cleaner.

ACCESSORIES AVAILABLE

Brooms, Paper Goods, Mops, and Buckets.

Heavy-Duty Rectangular Bucket Suitable For Vehicle Cleaning:

Durable, 22L capacity, bright blue handle.

Labelling available for the following:

'Prime Mover', 'Agi-Blast', 'Agi-Gel', and 'Agi-Safe'.
