### Castle Chemicals Commitment

Since 1972, Castle Chemicals has built its reputation on the manufacture and supply of innovative, value-added products, systems and services.

ISO 9001, Quality Management Systems status became part of our culture in 1994. We have used this systems approach to business to drive continual improvement in product development, quality and process traceability.

A simple business strategy developed in 1972 by the late Des Barrack, the founder, still sets the standard for Castle Chemicals into the future. "We work hard to earn the loyalty of our customers by providing innovative quality products that get the job done, along with experience, service and training that is carefully designed to meet our customers needs."

# A professional range of quality products for your industry

## Food Service

**BLAST:** An alkaline, DG rated, oven and grill cleaner developed for daily application as a maintenance cleaner.

**CHLORBRITE:** A non-caustic, chlorinated, powdered, mildly alkaline detergent for dishwashers and kitchen sanitising duties.

**HYPO 13:** A strong bleach and effective disinfectant. It is effective in killing bacteria, fungus and viruses. Proclean Hypo 13 is also used for a de-stainer for crockery and melamine ware.

**HYPO FOAM:** Developed with high foaming surfactants to deliver high performance cleaning through a stable clinging foam. The addition of chlorine improves protein removal.

**IN-SYNC:** Hand dish-washing detergent.

**RESULT:** An auto feed machine washing detergent, which exhibits all the horsepower usually associated with concentrated powders together with all the advantages of a liquid.

**SANIPREP:** A no rinsing hard surfaces sanitiser for use in food preparation and service areas.

**SANIPREP RTU:** A ready-to-use no-rinse hard surface sanitiser available in 750mL trigger-spray bottles.

**SANIPRO:** Quaternary high strength food service and manufacturing sanitiser.

**SPARKLE:** A wetting agent dishwasher rinse aid, which enables glassware, dishes and utensils to dry thoroughly and quickly without spotting or streaking.

**SPRAYFOAM:** A chlorinated foaming degreaser blend of concentrated synthetic detergents formulated for food industry packing plants for the removal of grease, animal and poultry blood and fat and vegetable oils.

## Janitorial

**AIR FRESH:** Floral and Vanilla scents. Premium range of triple action air fresheners and fragrances. Ready-to-use range of fragrances provides a long lasting pleasant experience for all uses.

**BLEACH:** 4% commercial grade Sodium Hypochlorite, greenish yellow liquid exhibiting a strong chlorine odour.

**BRUTE:** A clear light blue liquid developed for spray and wipe maintenance cleaning in most hospitality food service applications.

**BUBBLE GUM:** An economical reodorant disinfectant based on QUAT chemistry to provide excellent multi-purpose germicidal detergency that disinfects, cleans, and deodorizes in one easy step.

**CANADIAN PINE:** An economical reodorant disinfectant based on QUAT chemistry to provide excellent multi-purpose germicidal detergency that disinfects, cleans, and deodorizes in one easy step.

**DAMP MOP:** A synthetic all purpose cleaner/detergent system exhibiting a neutral pH and a lingering lemon fragrance.

**HANDY HELEN:** Alkaline detergent formulated with ammonia for a fresh sharp just cleaned finish.

**IMAGE:** Ready-to-Use glass cleaner, contains a hi-tech antifogging agent that helps reduce soil adhesion. particularly smear and smudge resistant, fast drying and overall, a very effective cleaner of glass, mirrors, LCD screens and other glossy surfaces.

**JANITOR:** General purpose alkaline detergent formulated with apple fragrance for a fresh fruity just cleaned finish.

**LEMON GRASS:** An economical reodorant disinfectant based on QUAT chemistry to provide excellent multi-purpose germicidal detergency that disinfects, cleans, and deodorizes in one easy step.

**SYDNEY BLUE GUM:** An economical reodorant disinfectant based on QUAT chemistry to provide excellent multi-purpose germicidal detergency that disinfects, cleans, and deodorizes in one easy step.

**STIX:** Toilet bowl cleaner/sanitiser developed so that it sticks to the surface when cleaning and deodorising stainless steel urinals and toilet bowls. Does not harm stainless steel but safely removes slime, rust stains and organic matter. Lavender fragrance.

**ULTRA:** A chlorinated alkaline detergent that removes and suspends soils. Has been provided with an alkaline booster which enables the product to go on cleaning long after ordinary detergents are exhausted.

## Laundry

**FORCE:** Slightly viscous liquid. Formulated incorporating biodegradable surfactants, sequestering agents and optical brightener to achieve outstanding results for general laundry purposes, contains Eucalyptus Oil.

**PLUSH:** Lavender coloured fabric softener with a faint tea tree oil odour.

**VALUE:** An economical version washing powder with white with blue beads, medium granular low bulk density laundry detergent.

## Hair & Body Care

*-PLEASE REFER TO 'JOE GO' BROCHURE FOR A COMPREHENSIVE LIST OF  
HAIR & BODY CARE PRODUCTS-*

**BALANCE:** 2 in 1 Shampoo/Conditioner. This enriched formula both cleanses and conditions to give hair a silky feel with added shine. Naturally pH balanced to match the skin and hair. It will not strip colour.

**CALYPSO:** Liquid hand soap containing Tea Tree Oil. Contains glycerine and natural ingredients to soften the skin, so hands feel fresh and soft after washing.

**DAB:** Workshop hand cleaner with poly grit and natural solvents. Specially formulated to quickly remove the heaviest grease and grime. It contains emollients and conditioners, but no harsh solvents.

**SPA:** Hair & Body Shampoo. Contains glycerine and natural ingredients to soften the skin, so hands and skin feel fresh and soft after washing. Crisp clean fragrance - unisex.

## Vehicle Care

**MONSTER:** Efficient and economical removal of all normal soils, including oxide films from paint/enamel and metal surfaces of cars, trucks, buses, trailers, etc. Can confidently be used on all metals, including aluminium. Cleans without removing wax finish. Non toxic and safe for manual use. Readily soluble in hard or soft water, producing instantaneous and abundant controlled foam.

**SPITFIRE:** Cleaner degreaser for engine bays and chassis.
