concentrated performance made convenient

Dose n Fill chemical management system is the epitome of cleaning technology.

The perfect union of safety, efficiency, and performance.

Sanitiser - No Rinse

Sanitiser for hard, non-porous surfaces in food service areas No-rinsing required, just drain & air-dry.

Neutral Detergent

Synergistic, neutral pH formula for superior cleaning power Suitable for any washable surface.

Bathroom Cleaner

Removes lime & scale, cuts through oil, body fats and soap scum Contains high-tech anti-soil and anti-fog properties.

Glass & Chrome Cleaner

Provides non-streaking, low-foaming and smear-free finish Best applied in conjunction with a microfiber cloth.

Tile & Grout Rejuvenator

Foaming gel formula improves contact time of vertical surfaces Bleach-based, soft-metal-safe stain removal liquid

Air Freshener - Odour Counteractant

High-performance odour neutralizing ingredient kills source of odour Modern, long-lasting 'forest' fragrance for use on non-food contact surfaces.

Cleaner Degreaser

Heavy-duty, multi-purpose foaming cleaner and degreaser Blend of alkalinity, biodegradable surfactants, ester solvents and water softeners.

Pot & Pan Antibacterial Detergent

Ultra-concentrated manual sink detergent & anti-bacterial agent Neutral pH blend formulated to cut through grease & dried-on food while rinsing easily & streak-free.

Up to **500** bottle fills per 2.5L

Choose the right dispensing option
for your business

Castle Chemicals Commitment

Since 1972, Castle Chemicals has built its reputation on the manufacture and supply of innovative, value-added products, systems and services.

ISO 9001, Quality Management Systems status became part of our culture in 1994. We have used this systems approach to business to drive continual improvement in product development, quality and process traceability.

A simple business strategy developed in 1972 by the late Des Barrack, the founder, still sets the standard for Castle Chemicals into the future. "We work hard to earn the loyalty of our customers by providing innovative quality products that get the job done, along with experience, service and training that is carefully designed to meet our customers needs."

Joe-Go

Instant Hand Sanitiser

An alcohol based "instant" hand sanitiser cleanser. It allows rapid and thorough water free sanitisation of the hands. Has a product formulation that is suitable for use by staff in food processing areas, including export meat process facilities.

Joe-Go

Pink Washroom Soap

Enhanced with natural ingredients, Joe-Go contains a special skin care formula which cleans deep, yet moisturises and protects the natural balance of the skin, helping to stop drying and chapping which are common causes of dermatitis and skin irritation.

Joe-Go

Trio - Hair & Skin Shampoo/Conditioner

Is a 3 in 1 Hair & Body Shampoo Conditioner, providing a luxurious lather and incorporates "goats milk" to soften & revitalise the skin. Naturally pH balanced to match the skin and hair and has a fresh milk and honey fragrance.

Joe-Go

Body & Hair Shampoo

A gentle, liquid cleaner developed for sensitive skin. Its natural ingredients moisture and protect the natural pH balance of the skin, hair and body.

Joe-Go

Silky - Sensitive Hand Wash

Is a gentle, liquid cleaner developed for sensitive skin. Its natural ingredients moisturise and protect the natural pH balance of the skin. Natural and fragrance free.

Soap Dispenser

This exclusive, designed soap dispenser incorporates not only sight windows for easy checking of contents but to hold the Joe-Go 1 litre refill. Moulded in attractive hard wearing plastic, the dispenser is rust and corrosion proof, has trouble free components and is built to last.
