'Solutions, Chemistry, Service'

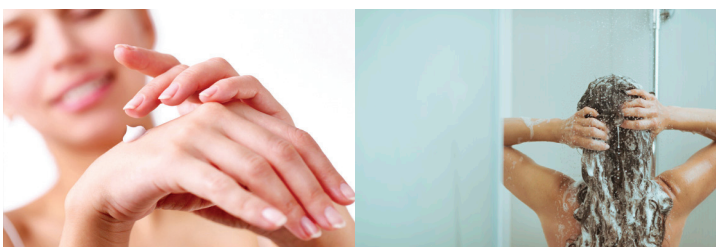

Ready to Use

Superior quality and **Ready to Use.**
With no dilution needed you are ready to tackle your cleaning needs.

Laundry 750ml

Our laundry range includes all your stain removal needs, plus the Lift Off range can be purchased in a handy Stain Removal Kit with one of each of the 750ml range.

Hand, hair and Body 500ml

We have a range of pump pack options for soap, hand care, hand sanitiser and all over body wash, pleasant smelling and nourishing on the skin.

Kitchen and Food service 750ml

Not only Ready to Use but high concentrate meaning less is used in your kitchen sink wash up. For surfaces; Fight-Bac is the perfect product for food service for its quaternary and disinfectant properties and eliminates the need for other additional products.

Bathroom 500ml, 750ml

Keep the bathroom, toilets and urinals clean with our range including an odour neutraliser for stubborn smells, gentle yet powerful scourer creme cleaners for soap scum and general cleaning.

Surface Cleaning 1ltr, 750ml, 250ml

All surfaces are covered from stainless steel, timber, glass, upholstery and bench top. With sanitising or anti-streak technology your surfaces are in great hands.
