

Vehicle Wash with Water Sheeting

# KleenSheet

Kleen Sheet is an entirely new type of vehicle shampoo.

Kleen Sheet Spot Free Vehicle Wash is a specially formulated car wash that leaves a spot free shine without the need of hand drying. This car wash contains a unique blend of rinsing polymers, causing water to sheet off the vehicle for fast air drying and leaves an enhanced gloss finish. The sheeting polymer formula reduces water spots and marks.

# Product Features

- **Spot-free formula, sheets water off vehicle and leaves an enhanced gloss finish**
- Silicone Free formula – suitable for spray painter use
- **Deep cleaning, high foam soap cuts through dirt**
- Premium car wash formula will not strip wax
- **Safe for all vehicle finishes**
- Biodegradable
- **Available in 200L, 20L, 5L & 1L**

## Using Kleen Sheet

1. **For best results avoid washing the car in direct sunlight. Wash one section at a time in the shade.**
2. Hose off heavy dirt and debris from the vehicle
3. **Add 30 to 60ml of Kleen Sheet Spot Free Vehicle Wash to an empty bucket and mix with 8L of water.**
4. Apply soapy water to a portion of the vehicle's surface using a clean wash mitt, sponge or 100% cotton cloth
5. **Rinse off with clear water thoroughly. Watch the water sheet off and dry spot free before your eyes.**
6. For best results on newly waxed surfaces, pour a little Kleen Sheet directly on sponge/wash mitt as you wash the vehicle.
