# Concrete & Asphalt Cleaning Solutions

## Castle Chemicals Commitment

Since 1972, Castle Chemicals has built its reputation on the manufacture and supply of innovative, value-added products, and solutions.

ISO 9001, Quality Management Systems status became part of our culture in 1994. We have used this systems approach to business to drive continual improvement in product development, quality and process traceability.

A simple business strategy developed in 1972 by the late Des Barrack, the founder, still sets the standard for Castle Chemicals into the future. "We work hard to earn the loyalty of our customers by providing innovative quality products that get the job done, along with experience, service and training that is carefully designed to meet our customers needs."

## CONCRETE REMOVAL FROM TRUCKS

DOSING EQUIPMENT AVAILABLE

**AGI-SAFE:** Concentrated and powerful acidic organic salt cleaner with a corrosion inhibitor that leaves a sheen on the barrel. #26205 pH 0-1

**AGI-BLAST:** Ready-to-use acidic organic salt cleaner with a corrosion inhibitor that leaves a sheen on the barrel. #26200 pH 0-1

**AGI-GEL:** Ready-to-use acidic organic salt GEL cleaner that provides extended contact time, with a corrosion inhibitor that leaves a sheen on the barrel. #26202 pH 0-1

**AGI-FOAM:** Ready-to-use acidic organic salt FOAM cleaner that provides extended contact time, with a corrosion inhibitor that leaves a sheen on the barrel. #26206 pH 0-1

**MORTAR BLAST:** Acidic organic salt cleaner with corrosion inhibitor; chelating agent for improved efficiency. Suited to alloy formwork cleaning. #26201 pH 0-1

**CRETE BAN:** Acidic concrete remover with wetting agents and corrosion inhibitor - hydrochloric acid system.

## HAND CLEANERS

COMPLETE RANGE OF INDUSTRIAL PUMPS

**WORKMAN:** Industrial style natural solvent with polygrit, medium viscosity. #25243 pH 7-8

**HANDMATE:** Heavy-duty pumice grit, natural solvent cleaner. #22922 pH 7-8

**CIT SCRUB:** Light citrus fragrance gel hand cleaner that contains citrus-derived solvents and polygrit which cuts through stubborn stains. #20801 pH 7-8

**KLENZE GOLD:** Biodegradable gel hand cleaner with lemon scent; prevents dry skin as well as removing stubborn, ground-in soils. #20133 pH 7-8

## DEGREASERS

**BLITZ:** Caustic and glycal solvent detergent cleaner/degreaser used on hard surfaces in engine bays. #27211 pH 13-14

**HYDRAKLEEN:** Multi-purpose solvent detergent cleaner that exhibits a strong Work Health & Safety profile. #24133 pH 12-13

**NINJA:** New technology surfactant system blend, solvent-free - with improved Work Health & Safety profile. #24225 pH 11.5-12.5

**XTREME:** Concentrated solvent detergent cleaner that breaks up grease and oil on workshop floors. #25223 pH 12.5-13.5

## TRUCK WASHES

COMPLETE RANGE OF FOAMING EQUIPMENT AND PRESSURE WASHERS AVAILABLE

**PRIME MOVER:** Powerful, multi-purpose, concentrated foaming liquid. Safe for use on any surface and can be used for manual washing. #26145 pH 8-9

**NEW BRIGHT:** Truck and car shampoo and wax; leaves a high-lustre finish. #26103 pH 9-10

## BITUMEN RELEASE AGENTS & CLEANERS

**PROPEL:** Biodegradable derived vegetable oil used as a bitumen release agent for all types of asphalt and also be used as a release agent for concrete. #26134

**DUAL SLIP-A-WAY:** Oil/bio based bitumen release agent for all asphalt mixes, provides a residual film that assist with rubber/polymer mixes. #29134

**TARSOLVE:** Fast acting tar asphalt & bitumen solvent cleaner designed to dissolve, remove and emulsifies from metallic, concrete, painted and other surfaces. #24129

**BITUSOL:** Economical, fast-acting bitumen solvent cleaner designed to dissolve, remove, and emulsify bitumen deposits from painted, and other surfaces. #24128

## SPECIALTY CLEANERS

**KLEEN BRAKE:** Disc and drum brake solvent cleaner. #20149

**ALUCLEAN:** Aluminium cleaner and brightener. #20004 pH 0-1

**HI BEAM:** High-gloss tyre and bumper finish. #27215

**RENEW ALL:** Vinyl protection and reviver. #26139 pH 7.5-8.5

**TYRE SLICK:** Non-silicone tyre and rubber rejuvenator. #26152 pH 6.5-7.5

**KEMCARB:** Concentrated cold tank parts cleaner/decarboniser. #20170 pH 11-12

**DESCALE P:** Concentrated acid rust remover and cleaner. #23103 pH 0-1

## ACCESSORIES AVAILABLE

Brooms, Paper Goods, Mops, and Buckets.

**Heavy-Duty Rectangular Bucket Suitable For Vehicle Cleaning:** Durable, 22L capacity, bright blue handle. Labelling available for the following: 'Prime Mover', 'Agi-Blast', 'Agi-Gel', and 'Agi-Safe'.
