

Calypso

Tea Tree Oil Liquid Hand Soap

Product Description:

CALYPSO is a clear green liquid hand soap containing Tea Tree Oil. Tea Tree Oil is well known for its antibacterial capacity. It contains glycerine and natural ingredients to soften the skin, so hands feel fresh and soft after washing.

Application:

Hygienic Wash - CALYPSO can be poured into wall or bench top dispensers for easy use. One or two pumps are sufficient to create rich foam when water is added & hands are rubbed together.

Our natural ingredients are:

- Tea Tree Oil to help reduce skin allergies, skin repair and dermatitis.
- Vitamin A & E to help in skin repair and healing of broken skin.

Food Safety Statement:

With regard to the use of this product as a cleaner and / or sanitiser that may have incidental contact with food:

- 1) The raw materials / ingredients of this product are permitted as 'processing aids' as listed under clause 12 of the Food Standard Code 1.3.3 (Food Standards Australia New Zealand FSANZ) or
- 2) Are Generally Regarded As Safe (GRAS) according to the US Food and Drug Administration (FDA) or are recognised in the US Code of Federal Regulations (CFR) Title 21 part 178 as indirect food additives.

When used in accordance with the directions described in this product technical bulletin, this product complies with these recognised food safety parameters.
