Sani Royale

Antimicrobial Clear Gel Hand Cleanser and Hair and Body Wash

CLEANS, PROTECTS AND MOISTURISES THE SKIN

New Enhanced Antimicrobial Formula

Fresh Clear Gel with a refreshing clean fragrance

Product Description:

SANI ROYALE antimicrobial gel has an effective sanitising formulation and a new Perfume that leaves a crisp clean fragrance on the hands, a fragrance popular with both males and females. It contains glycerine and natural ingredients to soften the skin, so hands feel fresh and soft after washing. SANI ROYALE is an especially pleasant hygienic way to wash hands, leaving no unsightly residue left by bar soap, and no messy half used soap pieces

Application:

Hygienic Wash. Wet hands and arms first. Operate lever twice. Lather for 30 seconds or more. Brush under and around nails.

Enhanced with natural ingredients, SANI ROYALE contains a special skin care formula which cleans deep, yet moisturises and protects the natural balance of the skin, helping to stop drying and chapping which are common causes of dermatitis and skin irritation.

Our natural ingredients are:

- Aloe Vera Extract To help reduce skin allergies and dermatitis. Also soothes chapped or irritated skin.
- Vitamin A To help in skin repair and healing of broken skin
- Vitamin E Essential for healthy skins and also aids healing.

This exclusive, attractively designed soap dispenser incorporates sight windows for easy checking of contents, an 1 litre refillable reservoir complete with a lid to help prevent the contents from drying out. The reservoir is quick and easy to top up from our 5 litre SANI ROYALE and cleanser container. Moulded in attractive hard wearing plastic, the dispenser is rust and corrosion proof, has trouble free components and is built to last.

ATTRACTIVE AND TROUBLE FREE:

- Standard colours, white body with grey push leaver.
- Lockable cover with key.
- Push pump action with delivery of 1.2 mls to the palm of hand.
- Wall fixing by adhesive pads and or screws.
- Suitable for liquid soaps, detergents, viscous liquids and light flowable gels.
- Designed for use in nursing homes, executive washrooms, clubs, restaurants, hotels. In fact any situation where an upmarket dispenser is required.
