Woodbright

Liquid Spirit Wax

Product Description:

WOODBRIGHT is a blend of synthetic water resistant waxes in a solvent. WOODBRIGHT has a blend of waxes to give the best protection and appearance. The carefully selected blends of waxes provide a lustre and shine, while its synthetic waxes protect and give great wear.

1. Cleans as it polishes using its hydrocarbon solvents to cleanse soilage from the existing film.
2. A special non slip additive provides greater grip when used on dance or gymnasium floors.
3. Enhances and beautifies the natural grain of all types of timber flooring.

Application:

WOODBRIGHT will cover all timber surfaces and restore them to a full lustre. Easily applied WOODBRIGHT may be sprayed, mopped with a lamb's wool applicator to the floor and will respond to either hand or machine polishing.

WOODBRIGHT'S wide ranging capabilities makes it the versatile work horse for all wooden floors in such areas as gymnasiums, ball rooms, public halls, restaurants, hospitals, stair cases, schools, hotels, clubs and storage floors. Do not use the WOODBRIGHT on polyuthane sealed floors.

SHELF LIFE: As a quality assured manufacturer, Castle Chemicals has a stringent Quality assurance programme. As part of this regime, the label on this product shows a batch number and date of manufacture. This product has a shelf life of 24 months from the label printed date of manufacture. This information contained herein is based on data considered accurate. However, no warranty is expressed or implied regarding the accuracy of these data or the results to be obtained from the use thereof. Castle Chemicals assumes no responsibility for personal injury or property damage to vendees, users or third parties caused by the material. Such vendees or users assume all risks associated with the use of material.
