

Dispensing Options

DISHWASHERS

The D2000 Pod/ Titan Dispenser Unit, Lightweight 4.5kg capsule-long-lasting and reduces the number of lifts against a conventional liquid system.

Flushing cap technology no-clog format allows complete use and removal of product, reduces risk of chemical contact at change over.

The Dema Nitro warewash dispenser line bridges the gap between compact basic dispensers and feature packed units too large for small kitchens. Nitro has the versatility to be used with or without a probe from the same unit and the flexibility to be used on a single tank, door or conveyor machine.

WASHROOM PAPER

One-ply Interleave Towel

'Auto Cut' dispenser with auto-cutting mechanism.

Castle also has a wide range of folded towel and dispensers for your washroom areas. Please contact your Castle Sales Representative or see our website for more information.
