

Product Information Guide

Product: **Pooch's Everyday Natural Shampoo** : With Revitalising Eucalyptus Oil

Features & Benefits:

- Naturally sourced Biodegradable Surfactants combined with Skin conditioners, moisturises, hydrates the skin and fur.
- Highly active formula <> reduces in use cost for automated dog washing equipment
- Features Eucalyptus Essential Oil <> Fresh Aussie Botanical fighting pet odour
- Quality natural shampoo with revitalising Eucalyptus for coat and skin. Specifically designed for dogs and other domestic animals, our Australian botanicals range lifts dirt, bacteria and odour without stripping the skin of its natural oils.

Areas of Application:

- **Pooch's Everyday Natural Shampoo** has been developed primarily for automated dog washing hydro bath equipment but can also be used for manual applications.

Directions for Use:

- Connect **Pooch's Everyday Natural Shampoo** to the wash equipment pumps at the setting you prefer.
- Wet your pet's coat thoroughly with clean, warm water and apply at 20ml of the shampoo along the backline of the pet. Work into a good lather over the entire body, taking care to avoid the eyes and inside the ears. Rinse off and follow up with our Everyday Crème Conditioner with Soothing Lemon Myrtle and Eucalyptus Oil. Use weekly or more frequently if needed.
