Arctic Clean

Coldroom/Freezer Cleaner

Product Description:

ARCTIC CLEAN is a specially formulated 'No Freeze' cleaning detergent for use cleaning cold rooms and freezer systems. Food safe formula with grease and oil cutting capabilities.

For all food industry processors or business using cold rooms and freezers. Can also be used to clean point of display freezer cabinets and displays. Product can be used undiluted for coldest application.

Application:

- Wipe up any large food spills quickly to remove gross soiling.
- Remove or move away other foodstuffs in immediate cleaning area.
- Do not dilute ARCTIC CLEAN, but apply directly to surfaces, Walls Shelving floors etc.
- Stubborn staining may require brush scrubbing / agitation.
- Allow contact of 10-15 minutes, then squeegee / sponge / mop from surfaces.
- Allow surfaces to air dry.
- Return foodstuffs to cleaned area.

In order not to freeze and to give greatest cleaning power, use undiluted, ARCTIC CLEAN does however contain a flammable base material. No Smoking whilst in use and ensure no naked flames or very hot surfaces present before use.
