## Blitz

### Heavy Duty Cleaner Degreaser

#### Product Description:

BLITZ has been formulated to provide fast and complete removal of the stubborn vehicle engine bay soils, including fat and grease from ceramic tiles & concrete floors in Kitchens  
BLITZ is described as a 'Quick Break Detergent' and has been tested to break within the 20 minute parameter.

BLITZ - mixes instantly, no potential clogging of valves and nozzles.

BLITZ - helps to prevent the build up of water scale.

BLITZ - unique solvent - alkaline system to enhance cleaning performance.

BLITZ - works in high pressure hot and cold water units as well as steam cleaners.

BLITZ - contains no phosphates.

#### Application:

Dependant on application; BLITZ can be sprayed onto the area to be cleaned at ratio's from 5 parts up to 50 parts with water. For example, Blitz gives excellent results on floors at a 1 part in 60 dilution.

BLITZ is an alkaline material that may cause dulling of some painted surfaces. If unsure test clean before proceeding.
