## Double Action Bleach

### Product Description:

CHLOR 20/STAINS AWAY is a safe bleach. It is an organic bleach containing 20% available chlorine, when packed, is compatible with soap and contains its own soap regenerator. CHLOR 20/STAINS AWAY is formulated for laundering and removing tannin stains from cups.

#### Laundry

Bleaches efficiently and at the same time strips out lime and acid soaps to restore fabrics to a sparkling whiteness. Removes mildew safely and strips out soap.

#### Kitchen

Removes tannin stains from melamine, crockery and stainless-steel tea pots.

### Application:

#### Laundry

50 grams per 50 litres water will give you 170 ppm active available chlorine.

#### Kitchen

15 grams per 15 litres water will give you 150 ppm active available chlorine.

CHLOR 20 STAINS-AWAY is available in cartons of 3 x 4Kg.

### Food Safety Statement

With regard to the use of this product as a cleaner and/or sanitiser that may have incidental contact with food:

- 1) The raw materials / ingredients of this product are permitted as 'processing aids' as listed under clause 12 of the Food Standard Code 1.3.3 (Food Standards Australia New Zealand FSANZ) or
- 2) Are Generally Regarded As Safe (GRAS) according to the US Food and Drug Administration (FDA) or are recognised in the US Code of Federal Regulations (CFR) Title 21 part 178 as indirect food additives.

When used in accordance with the directions described in this product technical bulletin, this product complies with these recognised food safety parameters.
