## Clear Cote

### Non Silicone Tyre Coating

#### Product Description:

CLEAR COTE is a clear orange non silicone liquid system formulated to give a “new” tyre matt finish.

- Non Silicone System – safe around spray painting
- Does not attract dust like silicone systems
- Fast Drying – Matt Finish
- Clear finish – will not discolour mag wheels & rims

#### Application:

CLEAR COTE is best applied by a brush to work the product into the tyre surface. Spray applicator is acceptable but multiple coats will be required.

For best results wash tyres prior to application of Clear Cote
