

# Dab

## Workshop Hand cleaner

### Product Description:

Dab Workshop Hand Cleaner with poly grit & natural solvents. Packed in 2.5L handled containers.

This advanced hand cleaner is specially formulated to quickly remove the heaviest grease and grime. It contains emollients and conditioners, but no harsh solvents. Instead, the non-irritating scrubbing particles work to loosen and remove the most deeply embedded soils. Simply apply to dry hands, then rinse or wipe off.

### Application:

- Farm Workshops
- Engineering Operations
- Machinery Repair
- Truck Repair

### SHELF LIFE:

As a quality assured manufacturer, Castle Chemicals has a stringent Quality assurance programme. As part of this regime, the label on this product shows a batch number and date of manufacture. This product has a shelf life 24 months from the label printed date of manufacture. This information contained herein is based on data considered accurate. However, no warranty is expressed or implied regarding the accuracy of these data or the results to be obtained from the use thereof. Castle Chemicals assumes no responsibility for personal injury or property damage to vendees, users or third parties caused by the material.
