Gent-L

Goats Milk Creme Hand Cleanser and Hair and Body Wash

Product Description:

GENT-L possesses a perfume that leaves a light fragrance on the hands, a fragrance popular with both males and females. It contains natural emollient ingredients to soften the skin, so hands feel fresh and soft after washing and is enriched with Goats Milk. GENT-L is an especially pleasant hygienic way to wash hands, hair & body, leaving no unsightly residue left by bar soap, and no messy half used soap pieces.

Application:

Hygienic Wash. Wet hands and arms first. Operate lever twice. Lather for 30 seconds or more. Brush under and around nails.

Enhanced with goats milk & natural ingredients, GENT-L contains a special skin care formula which cleans deep, yet moisturises and protects the natural balance of the skin, helping to stop drying and chapping which are common causes of dermatitis and skin irritation.

Our natural ingredients including Goats Milk are:

- Aloe Vera Extract
to help reduce skin allergies and dermatitis.
- Jo Joba Oil
To help in skin repair and softening.
- Witch Hazel
to help in skin healing and repair, helps to clear bruising and broken blood vessels and is antiseptic.
- Vitamin A & E
to help in skin repair and healing of broken skin.

Food Safety Statement:

With regard to the use of this product as a cleaner and / or sanitiser that may have incidental contact with food:

- 1) The raw materials / ingredients of this product are permitted as processing aids as listed under clause 12 of the Food Standard Code 1.3.3 (Food Standards Australia New Zealand FSANZ) or
- 2) Are Generally Regarded As Safe (GRAS) according to the US Food and Drug Administration (FDA) or are recognised in the US Code of Federal Regulations (CFR) Title 21 part 178 as indirect food additives.

When used in accordance with the directions described in this product technical bulletin, this product complies with these recognised food safety parameters.
