

Glass Cleaner

Glass Cleaner

Product Description:

GREEN-PRO GLASS CLEANER is a concentrated and effective glass mirror and chrome cleaner, GREEN-PRO GLASS CLEANER is a clear (undyed) formula that meets the criteria of the ACCORD R'eco'gnised environmental credentials scheme and contains no harsh ammonia or aggressive alkaline salts. GREEN-PRO GLASS CLEANER contains a hi-tech antifogging agent that helps reduce soil adhesion. This can help to actually reduce the frequency of cleaning! We have formulated GREEN-PRO GLASS CLEANER to be a particularly smear and smudge resistant, fast drying and overall, a very effective cleaner of Glass, Mirrors, LCD screens and other glossy surfaces. GREEN-PRO GLASS CLEANER has a light, fresh and very attractive aroma to make your cleaning chores a pleasure!

Application:

GREEN-PRO GLASS CLEANER is a formulation specifically prepared for cleaning glass and other highly reflective surfaces, and thoroughly removes smears, smut, grubby finger marks and other soil deposits from windows and all glass surfaces without hazing or smearing.

GREEN-PRO GLASS CLEANER may be use neat or diluted up to 20:1 with water and applied by spraying onto the glass surface with a hand sprayer. When spraying onto glass surface immediately wipe dry with a clean cloth or paper.

GREEN-PRO GLASS CLEANER may be used neat, or capable of dilution up to 1 part in 20 with water.

Septic tank safe.
