Incontinence Spray

Deodorant Sanitiser for use in Incontinence Areas

Product Description:

Especially formulated for the Health Care market. INCONTINENCE SPRAY contains ingredients that not only cover odours but eliminates the cause of the odour.

- Effectively removes odours caused by urine, vomit, smoke, perspiration, rancid food and oils.
- Can be used in food plants to kill odours caused by high humidity.
- INCONTINENCE SPRAY neutralises the odour and kills the bacteria that causes the odour.

Application:

INCONTINENCE SPRAY is to be used as supplied or diluted with up to 5 parts water. Spray directly onto carpet or other type of surface needing to be deodorised.

SHELF LIFE: As a quality assured manufacturer, Castle Chemicals has a stringent Quality assurance programme. As part of this regime, the label on this product shows a batch number and date of manufacture. This product has a shelf life of 24 months from the label printed date of manufacture.
