## Solventless Hand Cleaner

### Product Description:

KLENZE is a comprehensive blend of biodegradable surfactants, to give a hand cleaner that is able to shift most oils and greases without the use of solvents. KLENZE is an odourless, colourless cleaner, free of abrasives, ammonia, solvents and caustic soda, which can cause damage to the skin.

### Application:

1. ODOURLESS KLENZE does not pollute hands, food, clothing or the atmosphere with offensive odours.
2. BIODEGRADABLE KLENZE will not pollute waterways when flushed away after washing.
3. NEUTRAL pH KLENZE assists in preventing smarting and stinging of open cuts, scratches or wounds - easy on the hands.
4. NO RESIDUAL EFFECTS KLENZE does not produce a corrosive effect on ON METALS metal.
5. DISPENSABLE KLENZE is easily dispensed to save costs.
6. SKIN CONDITIONER KLENZE contains emollients and skin conditioning agents to protect the hands.
7. ALL OVER CLEANSER KLENZE can be used as an all over body cleanser as well as a hand cleanser.

KLENZE is available in 2 x 5 litres, 4 x 5 litres and 25 litre containers. A dispensing system is also available.
