

Laundry Detergent

Laundry Liquid Detergent -OPL System

Product Description:

LAUNDRY DETERGENT is a blue, slightly viscous liquid. It has been specially formulated incorporating biodegradable surfactants, sequestering agents and optical brightener to achieve outstanding results for general laundry purposes. The product is indicated for the washing of whites and colours, cottons and synthetics.

LAUNDRY DETERGENT can be used on its own (ideal for woollens) or with FABRIC SOFTENER.

LAUNDRY DETERGENT has an anti-redepositing agent to soils suspended and assists in the complete removal of soils and detergent by thorough and efficient rinsing.

LAUNDRY DETERGENT contains an optical brightening agent which enhances and revitalises colours. These agents, therefore, counteract the tendency for 'greying' which often occurs in fabrics after prolonged washing.

Application:

Recommended Usage:

LAUNDRY DETERGENT can be diluted for use as follows:

Domestic / Commercial Top Loader: 22 kg Dry Weight Linen

Light Soiling 100 > 125ml
Medium Soiling 125 > 150 ml
Heavy Soiling 200 > 250 ml

Domestic Front Loader: 12-15 kg Dry Weight Linen

Light Soiling 50 > 75ml
Medium Soiling 75 > 100 ml
Heavy Soiling 100 > 150 ml
