

Technical Bulletin

Lenz

Concentrated Window and Glass Cleaner

Product Description:

LENZ is a clear blue concentrated formulation specifically prepared for cleaning glass.

LENZ quickly and thoroughly removes smears, smut, grubby finger marks and other soil deposits from windows and all glass surfaces without hazing or smearing.

When spraying onto glass surface immediately wipe dry with a clean cloth or paper.

DO NOT USE ON Painted Surfaces, waxed polished, lacquered or varnished wood. Not suitable for use on tinted windows.

LENZ has been found to be an excellent cleaner of poker machines.

The formulation is recommended to be used neat but if necessary can be broken own 50/50 with water.

Application:

LENZ should be applied by spraying onto the glass surface with a hand sprayer. Alternatively LENZ can be wiped over the glass surface to be cleaned with a lint-free cloth, and then polished to a sparkling clear surface with a dry cloth.

Food Safety Statement:

With regard to the use of this product as a cleaner and / or sanitiser that may have incidental contact with food:

- 1) The raw materials / ingredients of this product are permitted as 'processing aids' as listed under clause 12 of the Food Standard Code 1.3.3 (Food Standards Australia New Zealand FSANZ) or
- 2) Are Generally Regarded As Safe (GRAS) according to the US Food and Drug Administration (FDA) or are recognised in the US Code of Federal Regulations (CFR) Title 21 part 178 as indirect food additives.

When used in accordance with the directions described in this product technical bulletin, this product complies with these recognised food safety parameters.
