

Technical Bulletin

Methylated Spirits

Product Description:

METHYLATED SPIRITS can be used for the following applications:

1. Add a little to the washing up water to clean dishes, cutlery and glassware without smears.
2. Rub a little inside shoes to remove odours.
3. Wipe over fridges, ovens, household appliances, stainless steel kettles, etc., to get them sparkling.
4. Add a little to the rinse water to prevent static electricity in clothes.
5. Dab a little onto mossie bites for cool, soothing relief.
6. Mix with three parts water for a refreshing foot bath.

SHELF LIFE: As a quality assured manufacturer, Castle Chemicals has a stringent Quality assurance programme. As part of this regime, the label on this product shows a batch number and date of manufacture. This product has a shelf life of 24 months from the label printed date of manufacture. This information contained herein is based on data considered accurate. However, no warranty is expressed or implied regarding the accuracy of these data or the results to be obtained from the use thereof. Castle Chemicals assumes no responsibility for personal injury or property damage to vendees, users or third parties caused by the material. Such vendees or users assume all risks associated with the use of material. **Page 1 of 1**
