# Methylated Spirits

## Non Caustic All Purpose Detergent

### Product Description:

Methylated Spirits is a denatured form of ethyl alcohol. Denatured means that it contains an additive to render it poisonous. Methylated Spirits is a volatile flammable solvent.

Methylated Spirits will often be used for streak free cleaning on glass & chrome and being an alcohol will sanitise with sufficient contact time.

### Application:

Methylated Spirits can be used for the following applications:

1. Add a little to the washing up water to clean dishes, cutlery and glassware without smears.
2. Wipe over fridges, ovens, household appliances, stainless steel kettles, etc., to get them sparkling.
4. Cutlery Cleaning & Sanitising , dilute 1:1 to 1:5, immerse cutlery for 60 seconds , remove & allow to air dry or wipe dry with clean paper towel.
5. Glass & Chrome cleaning , dilute 1:1 to 1:10 , remember to ensure cloth or paper towel is clean to ensure a streak free finish.
