OZBRIGHT

Laundry Washing Powder -Residual Fragrance

Product Description:

OZBRIGHT an economical version washing powder and is a medium granular low bulk density laundry detergent. An entirely synthetic formula containing optical brighteners and a highly effective low sudsing detergent. plus our unique residual fragrance for a fresh linen finish.

OZBRIGHT has proved invaluable in commercial laundries, motels, hotels, private and public hospitals, colleges and institutions.

Super soluble - Specifically formulated to dissolve quickly and easily, even in cold water!
No more powdery deposits in finished laundry.
Eliminates static electricity.
Heavy duty, ideally suited for industrial application.
Odours eliminated – OZBRIGHT has proved highly successful in institutional laundering, in removing the unpleasant odours associated with hotels and soiled linen.
Concentrated - A low bulk density powder means a lesser volume will adequately perform a clean wash, when three times the volume of a fluffed powder would be required.
