Power Clean

Neutral pH Cleaner

Product Description:

POWER CLEAN is a synthetic all purpose cleaner/detergent system exhibiting a neutral pH and a lingering fragrance.

Application:

POWER CLEAN is ideal for all floor maintenance cleaning procedures. It removes the soil without removing the shine.

POWER CLEAN being a pH neutral requires no rinsing. Floor finish may be applied directly over POWER CLEAN after it has dried.

Since POWER CLEAN does not leave streaks, is low sudsing and requires no rinsing, it is suitable for use in automatic scrubbers.

POWER CLEAN can be used from 20:1 with water up to 200:1 with water as required by the application.

SHELF LIFE: As a quality assured manufacturer, Castle Chemicals has a stringent Quality assurance programme. As part of this regime, the label on this product shows a batch number and date of manufacture. This product has a shelf life of 24 months from the label printed date of manufacture.
