

Technical Bulletin

Silky

Hypoallergenic Hand, Hair and Body Wash

Product Description:

SILKY is a gentle, liquid cleaner developed for sensitive skin. Its natural ingredients moisturise and protect the natural pH balance of the skin.

1. Natural ingredients to soften and moisturise the skin.
2. Fragrance free.
3. Protects the natural pH balance of the skin.
4. Gentle cleansing action allows the skin to retain their natural oils.

Application:

1. Body Wash - Wet washer or sponge before apply two applications of SILKY from the dispenser. Apply to wet skin.
2. Hand Wash - Apply one application of SILKY from dispenser, wet hands and massage thoroughly and rinse away.
3. Hair Wash - Wet hair. Massage SILKY gently into hair. Rinse thoroughly and repeat if desired.

Food Safety Statement/Fitness For Purpose:

With regard to the use of this product as a cleaner and / or sanitiser that may have incidental contact with food:

- 1) The raw materials / ingredients of this product are permitted as 'processing aids' as listed under clause 12 of the Food Standard Code 1.3.3 (Food Standards Australia New Zealand FSANZ) or Are Generally Regarded As Safe (GRAS) according to the US Food and Drug Administration (FDA) or are recognised in the US Code of Federal Regulations (CFR) Title 21 part 178 as indirect food additives.
- 2) An FFP - Fit For Purpose Statement is available for this product when used in an export meat facility.

When used in accordance with the directions described in this product technical bulletin, this product complies with these recognised food safety parameters.
