Softer Soap

Cream Hand Wash – Pink/White

Product Description:

SOFTER SOAP possesses a perfume that leaves a light fragrance on the hands, a fragrance popular with both males and females. It contains glycerine and natural ingredients to soften the skin, so hands feel fresh and soft after washing. SOFTER SOAP is an especially pleasant hygienic way to wash hands, leaving no unsightly residue left by bar soap, and no messy half used soap pieces.

Enhanced with natural ingredients, SOFTER SOAP contains a special skin care formula which cleans deep, yet moisturises and protects the natural balance of the skin, helping to stop drying and chapping which are common causes of dermatitis and skin irritation.

- Aloe Vera Extract - To help reduce skin allergies and dermatitis. * Vitamin A & E
- Jo Joba Oil - To help in skin repair and softening.
- Witch Hazel- to help in skin healing and repair, helps to clear bruising and broken blood vessels and is antiseptic.
- Vitamin A & E- To help in skin repair and healing of broken skin.

Application:

Hygienic Wash. Wet hands and arms first. Operate lever twice. Lather for 30 seconds or more. Brush under and around nails.

Food Safety Statement:

With regard to the use of this product as a cleaner and / or sanitiser that may have incidental contact with food:

- 1) The raw materials / ingredients of this product are permitted as 'processing aids' as listed under clause 12 of the Food Standard Code 1.3.3 (Food Standards Australia New Zealand FSANZ) or
- 2) Are Generally Regarded As Safe (GRAS) according to the US Food and Drug Administration (FDA) or are recognised in the US Code of Federal Regulations (CFR) Title 21 part 178 as indirect food additives.

When used in accordance with the directions described in this product technical bulletin, this product complies with these recognised food safety parameters.
