## Hair and Body Shampoo

### Product Description:

Cleans, protects and moisturises the skin and hair, new enhanced formula, fresh clear gel with a refreshing clean fragrance. SPA has a new Perfume that leaves a crisp clean fragrance on the hands, skin and hair, a fragrance popular with both males and females. It contains glycerine and natural ingredients to soften the skin, so hands and skin feel fresh and soft after washing.

Enhanced with natural ingredients, SPA contains a special skin care formula which cleans deep, yet moisturises and protects the natural balance of the skin, helping to stop drying and chapping which are common causes of dermatitis and skin irritation.

Our natural ingredients are:

- Aloe Vera Extract: To help reduce skin allergies and dermatitis. Also soothes chapped or irritated skin.
- Vitamin A & Vitamin E: To help in skin repair and healing of broken skin

### Application:

Hygienic Wash. Wet hands and arms first. Operate lever twice. Lather for 30 seconds or more. Brush under and around nails. To wash body, use as shower gel or soap. For hair apply 30 – 40ml to the palm and lather into hair, rinse and repeat.

### SHELF LIFE:
