Spindle Wash

Lubricating Detergent for Cotton Pickers

Product Description:

SPINDLE WASH is a comprehensive blend of biodegradable surfactants to produce a product that helps to lubricate and clean the picking spindles on cotton picking equipment.

- Odourless - will not contaminate cotton with offensive odour.
- Biodegradable - meets Australian biodegradable standard AS 4351 -1996.
- Neutral pH - will not strip oils unnecessarily from cotton or if handled unintentionally by the operator.

Application:

The correct dilution will depend greatly on the season, the suggested figures will be a good guide. The dilution range per 100 litres of water will be from 100 mls up to 500 mls. 25 litre, 205 litre, 100 litre mini containers.
