## Multipurpose Alkaline Detergent

### Product Description:

TORNADO is a water white (clear) liquid. It is dilutable with water to form solutions, non-toxic, non flammable, leaves no after odours, has no fumes.

TORNADO is described as a "Safety Solvent" quick break detergent and has been tested to break within the 5 minute parameter.

### Application:

TORNADO can be used in oil separators with coalescing plates or entrapment tanks with water polishing chambers.

TORNADO removes grime, oil, grease, lubricating oil stains, tobacco stain deposits (wall, ceiling etc.), exhaust stains, oily smut, ink and pencil markings, soot and light carbon deposits, soap scum, cutting oil stains, lipstick, blood stains.

To perform satisfactorily in removal of all the aforementioned soils, a cleaner must exhibit a rare combination of several vital factors. These factors in TORNADO are:

- Unique ability in floating off many stubborn soils with absolute simplicity by a quick wipe-on-wipe off process.
- More versatile than any other cleaner in removing a very wide range of stains.
- Completely non-flammable. Eliminates fire hazards of cleaning with petroleum solvents.
- Dilutes with water - quick break detergency in "grease arresters".
- Corrosion safe on all hard surfaces including aluminium, magnesium, plastics etc.
- Non toxic and no fumes.
- No danger to skin or clothing.
- No after odours, therefore, particularly suitable for the food industry, hospitals etc.
- Extremely wide range of applications in industry.
- 

### SUGGESTED DILUTIONS:

Exhaust stains	undiluted or 1 to 1 water
Oil & Grease	1 part to 4 parts water
General exterior cleaning	up to 1 to 20 parts water
Plastic headliners	1 part to 10 parts water
