## Triple R

### Graffiti Remover

#### Product Description:

TRIPPLE R as a GRAFFITI remover is a unique and powerful liquid compound specially formulated for the rapid and effective removal of spray paint graffiti from brick, concrete, steel and other materials of construction.

TRIPPLE R contains special surfactants, solvents and wetting agents, to ensure a most effective clean and the removal of most common types of aerosol spray paints & marker inks. TRIPPLE R for GRAFFITI removal is designed for use on brick and concrete, it can be suitable for removing GRAFFITI from oil-based paints, as long as they are in good condition. Caution is required when used on water based painted surfaces, as its powerful action may remove substrate paints.

#### Application:

With a combination of solvent and surfactant stripping agents, the unique formulation of TRIPPLE R FOR GRAFFITI removal really minimises the time taken for graffiti clean up.

TRIPPLE R for GRAFFITI removal is a ready to use product, eliminating the necessity for dilution, therefore avoiding the possibility of wrong concentration and consequent poor cleaning results.

When removing GRAFFITI it is not uncommon for a shadow or ghosting to be noticeable after rinsing & the surface dries.
