

Technical Bulletin

Auto Clear

Non Ammoniated Window and Glass Cleaner

Product Description:

AUTO CLEAR is a clear formulation specifically prepared for cleaning glass.

AUTO CLEAR quickly and thoroughly removes smears, smut, grubby finger marks and other soil deposits from windows and all glass surfaces without hazing or smearing.

Application:

AUTO CLEAR as a glass cleaner should be diluted at 1:10.

AUTO CLEAR should be applied by spraying onto the glass surface with a hand sprayer. Alternatively, AUTO CLEAR can be wiped over the glass surface to be cleaned with a lint-free cloth, and then polished to a sparkling clear surface with a dry cloth.

When spraying onto glass surface immediately wipe dry with a clean cloth or paper.

Food Safety Statement:

With regard to the use of this product as a cleaner and / or sanitiser that may have incidental contact with food:

- 1) The raw materials / ingredients of this product are permitted as 'processing aids' as listed under clause 12 of the Food Standard Code 1.3.3 (Food Standards Australia New Zealand FSANZ) or
- 2) Are Generally Regarded As Safe (GRAS) according to the US Food and Drug Administration (FDA) or are recognised in the US Code of Federal Regulations (CFR) Title 21 part 178 as indirect food additives.

When used in accordance with the directions described in this product technical bulletin, this product complies with these recognised food safety parameters.
