

Citrus Swipe

Multi Purpose Cleaner Degreaser

Product Description:

CITRUS SWIPE MULTI PURPOSE CLEANER DEGREASER is a clear orange liquid that is an effective blend of high powered orange oil based solvents and surfactant soil removers.

CITRUS SWIPE is a concentrated ultra-active cleaner degreaser harnessing the natural solvent power of orange oil, citrus swipe effectively removes a wide range of greasy soils from any hard surface with a minimum of time and effort. Gentle enough to be used on any surface, powerful enough to take fast action against the heaviest dirt and grime. works efficiently in hard or soft water and rinses freely to leave no residue. CITRUS SWIPE is powerful enough to clean heavy soils and is mild enough to be used without harm to hands or other skin areas. CITRUS SWIPE is concentrated; a little goes a long way, and contains no caustic, no solvents or soaps.

Application:

Spray and Wipe

Dilute 40ml CITRUS WIPE into a 750ml spray bottle. Spray onto hard surfaces, allow to act, wipe to remove. No need to rinse!

To Clean Floors

To quickly clean and shine kitchen vinyl and tile floors, dilute 1 part CITRUS SWIPE to 40 parts water. Mop or scrub the surface, pick up with the mop or wipe the excess solution, no need to rinse, unless surface is a potential food contact area.

Heavy Duty Degreasing

Dilute 1 part CITRUS SWIPE to 4 parts water. Mop, wash or scrub surface, leave for 5 minutes and then pick up with mop or wipe excess solution, no need to rinse.

CITRUS SWIPE MULTI PURPOSE CLEANER DEGRESER is a universal cleaner designed for regular maintenance procedures. As the degree and type of contamination determines in most cases the concentration, recommendations can only be given.

- Light Duty Cleaning: 1 part CITRUS SWIPE to 40 - 60 parts water.
- Medium Duty Cleaning: 1 part CITRUS SWIPE to 10 - 20 parts water.
- Heavy Duty Cleaning: 1 part CITRUS SWIPE to 2 - 4 parts water.

Technical Bulletin

Food Safety Statement:

With regard to the use of this product as a cleaner and / or sanitiser that may have incidental contact with food:

- 1) The raw materials / ingredients of this product are permitted as 'processing aids' as listed under clause 12 of the Food Standard Code 1.3.3 (Food Standards Australia New Zealand FSANZ) or
- 2) Are Generally Regarded As Safe (GRAS) according to the US Food and Drug Administration (FDA) or are recognised in the US Code of Federal Regulations (CFR) Title 21 part 178 as indirect food additives.

When used in accordance with the directions described in this product technical bulletin, this product complies with these recognised food safety parameters.
