Deter-Gent

Antimicrobial Sanitiser, Deodorant
with Insect Deterrent

Product Description:

DETER-GENT is a powerful liquid detergent which provides antibacterial sanitising, deodourising and residual deterrents that discourage insects. DETER-GENT has been designed and formulated for use in hospitals, healthcare premises, aged care institutions, restaurants and pub / club environments. Suitable for general sanitising and cleaning of floors, hard surfaces, toilets, drains, garbage bins etc.

- Contains a powerful biocide with proven capabilities against common organisms such as, Staphylococcus Aureus, E-Coli, Salmonella typhosa and Pseudomonas Aeruginosa
- Unique residual deterrent left behind on sanitised surfaces.
- Cleans, sanitises and deters in one efficient cleaning procedure.
- Highly persistent residual fragrance leaving fresh smelling surfaces for extended periods.

Application:

DETER-GENT should be diluted at 40 parts to one with clean water, for floors and hard surfaces this can be hot. Persistent soils and difficult areas may require a higher concentration. Spray onto surface and wipe to remove soils, when clean re apply a light mist of DETER-GENT and allow to self-dry as a deterrent.

Whilst not classified as toxic, or scheduled by the SUSPD, DETER-GENT is not recommended for direct food contact surfaces.

SHELF LIFE: As a quality assured manufacturer, Castle Chemicals has a stringent Quality assurance programme. As part of this regime, the label on this product shows a batch number and date of manufacture. This product has a shelf life of 12 months from the label printed date of manufacture. This information contained herein is based on data considered accurate. However, no warranty is expressed or implied regarding the accuracy of these data or the results to be obtained from the use thereof. Castle Chemicals assumes no responsibility for personal injury or property damage to vendees, users or third parties caused by the material. Such vendees or users assume all risks associated with the use of material.
