

Dishkleen

Machine Dishwashing Liquid Detergent

Product Description:

GREEN-PRO DISHKLEEN represents one of the new generation of Castle 'Green Pro' range of products. It is a pale red, odourless, very alkaline liquid. It is a carefully balanced blend of low foaming cleansers, alkalis, and water softening agents and is readily miscible with water.

GREEN-PRO DISHKLEEN is a non chlorinated product and may be used in conjunction with CHLOR 12 to ensure sanitising of cutlery and the tannin stain removal from crockery.

Hospitals, Hotels, Motels, Restaurants

Canteens

Convalescent Homes

Guest Houses

Schools Cafeterias

Washes dishes sparkling clean

Articles Dry Odour Free

No Dissolving Problems

Ideal for Automatic Dispensing

Application:

GREEN-PRO DISHKLEEN is manufactured specifically for use in dish washing machines and **MUST NOT** be used for washing dishes by hand. It should be dispensed by means of an electronic detergent feeder which gives absolute control over detergent usage, resulting in minimum operating costs.

Suggested warewash concentration of 0.10% - 0.20%.

NOTE: The use of Castle Chemicals GREEN PRO RINSE ALL in the rinse water will promote rapid, streak free drying of articles. **GREEN PRO DISHKLEEN** is very alkaline and contact with skin and eyes should be avoided. If splashed, remove contaminated clothing and bathe affected areas thoroughly with water. If swallowed, give milk or water. **DO NOT** induce vomiting. Contact a doctor or Poisons Information Centre immediately.

Safe to use with septic waste tank systems.

Food Safety Statement:

1. The raw materials / ingredients of this product are permitted as 'processing aids' as listed under clause 12 of the Food Standard Code 1.3.3 (Food Standards Australia New Zealand FSANZ) or
2. Are Generally Regarded As Safe (GRAS) according to the US Food and Drug Administration (FDA) or are recognised in the US Code of Federal Regulations (CFR) Title 21 part 178 as indirect food additives.

When used in accordance with the directions described in this product technical bulletin, this product complies with these recognised food safety parameters.
