Neutraclean Fresh

Neutral pH Cleaner

Product Description:

NEUTRACLEAN FRESH is a synthetic all purpose cleaner/detergent system exhibiting a neutral pH and a lingering fresh fragrance.

Application:

NEUTRACLEAN FRESH is ideal for all floor and hard surface maintenance cleaning procedures. It removes the soil without removing the shine.

NEUTRACLEAN FRESH being a pH neutral requires no rinsing. Floor finish may be applied directly over NEUTRACLEAN FRESH after it has dried.

Since NEUTRACLEAN FRESH does not leave streaks, is low sudsing and requires no rinsing, it is suitable for use in automatic scrubbers.

NEUTRACLEAN FRESH can be used from 1:4 with water up to 1:40 with water as required by the application.

Food Safety Statement:

With regard to the use of this product as a cleaner and / or sanitiser that may have incidental contact with food:

- 1) The raw materials / ingredients of this product are permitted as processing aids as listed under clause 12 of the Food Standard Code 1.3.3 (Food Standards Australia New Zealand FSANZ) or
- 2) Are Generally Regarded As Safe (GRAS) according to the US Food and Drug Administration (FDA) or are recognised in the US Code of Federal Regulations (CFR) Title 21 part 178 as indirect food additives.

When used in accordance with the directions described in this product technical bulletin, this product complies with these recognised food safety parameters.
