# Power Clean Musk

## Neutral pH Cleaner

### Product Description:

POWER CLEAN MUSK is a synthetic all-purpose cleaner/detergent system exhibiting a neutral pH and a lingering musk fragrance. A highly concentrated cleaner specifically designed for the cleaning of polished floors and may be used for the cleaning of any hard surface that is not adversely affected by water.

POWER CLEAN MUSK the ideal product for the everyday use and maintenance of polished floors. As a chemically neutral cleaner, it will not have a detrimental effect on cross-linked floor finishes.

### Features

- Excellent cleaning efficiency.
- Neutral pH, so it cleans without damage to the floor's protective coating.
- Suitable for all hard surfaces - walls, tables, chrome, stainless steel & laminate.

### Benefits

- Suitable on all washable surfaces.
- No rinsing required.
- Can be used via a spray bottle or a mop and bucket.
- Leaves a pleasant residual musk fragrance.

### Application:

POWER CLEAN MUSK is ideal for all floor maintenance cleaning procedures. It removes the soil without removing the shine.

POWER CLEAN MUSK being a pH neutral requires no rinsing. Floor finish may be applied directly over POWER CLEAN after it has dried.

Since POWER CLEAN MUSK does not leave streaks, is low sudsing and requires no rinsing, it is suitable for use in automatic scrubbers.

POWER CLEAN MUSK can be used from 20:1 with water up to 200:1 with water as required by the application.
