## Non Silicone Tyre Dressing / Shine

### Product Description:

TYRE SLICK high performance tyre and rubber trim dressing that produces a deep high gloss shine on all exterior rubber and plastic surfaces. Bodyshop safe; can be used in silicone sensitive environments. A premium silicone free cleaner and dressing that cleans and leaves an excellent deep lustre. TYRE SLICK provides long lasting protection for tyres, rubber trim and fixtures. Safe (by incidental contact) on plastics, aluminium, stainless steel, leather and vinyl upholstery.

### Application:

Spray a light mist of tyre slick onto the tyre or rubber trim, or brush / wipe on an even coating, then wipe / work around the tyre with a soft cloth or brush to leave an even hi sheen finish.

- Ready to Use Formula
- Body Shop Safe
- Long life shine.
- Leaves a dust and water repellent finish

Contains no silicone, designed for paint shop environment. Conditions exterior rubber and vinyl surfaces. Produces a deep black, glossy appearance on newer tires. TYRE SLICK is available packaged in a 25L drum or economical 200L size.
