## Gent-L Foam

### Lush and Rich Foaming Cream Hand Cleanser Featuring Soft Floral Fragrance Blend of Vanilla and Iris

#### Product Description:

GENT-L-FOAM possesses a perfume that leaves a light soft floral fragrance on the hands, a fragrance popular with both males and females. It contains natural emollient ingredients to soften the skin, so hands feel fresh and soft after washing. GENT-L-FOAM dispenses to give thick luxurious foam and an especially pleasant hygienic way to wash hands, leaving none of the unsightly residue left by bar soap, and no messy half used soap pieces.

Enhanced with natural ingredients, GENT-L-FOAM contains a special skin care formula which cleans deep, yet moisturises and protects the natural balance of the skin, gentle hypo allergenic emollients help to stop drying and chapping which are common causes of dermatitis and skin irritation.

#### Application:

Gent-L Foam is available for the Castle SoftPod dispenser as well as bulk for suitable dispensers. Dispense the foam into the palm of your hand, rub hands together to distribute the foam, wash with water & rinse- dry with paper towel. 1000ml cartridges are sealed and designed for single use, keeping contamination and bacteria out. Each cartridge dispenses up to 1250 hand washes.

Keyed pump nozzles correspond with the keyed actuating mechanism making it easier to install in the SOFTpod dispenser. Offer up to 1250 doses per cartridge. Each carton range is available in cartons of 6x1000mL.

This exclusive, attractively designed soap dispenser is of robust design incorporating sight windows for easy checking of contents. The refill system uses 1 litre 'easy fit' sachet refills. The sachet system allows a quick and easy refill without pouring and decanting liquids, simply swap the used sachet! The dispenser is moulded in an attractive hardwearing plastic; the dispenser is rust and corrosion proof, has trouble free components and is built to last.

- Lockable cover with key.
- Push pump action with delivery of 5mls of foam to the palm of hand.
- Wall fixing by adhesive pads and or screws.
- Suitable for liquid foaming soaps.
- Designed for use in nursing homes, executive washrooms, clubs, restaurants, hotels. In fact any situation where an upmarket dispenser is required.
