

Espresso Coffee Machine Cleaner

Ka-Fee

Keeping serving the best coffee to your customers with Ka-Fee

KA-FEE is a fine white powdered detergent specifically formulated for use in cleaning modern Espresso Coffee Machines.

Mild alkaline salts and oxygenated detergent ensure safe cleaning of group heads, backwashed filters and other Espresso machine components.

Get the best from your Espresso Machine and serve the best coffee to your customers!

KA-FEE should be an integral part of your Espresso machine maintenance, economical in use, backwashing requires only one teaspoon per cleaning operation.

Gentle enough to care for your machine, but powerful on residual coffee oils that can build up, burn and give a taint to your Espresso.

Available in a
carton size of
12x500g
