KLENZE GOLD

Solvent Free-Grit Industrial Hand Cleaner

KLENZE GOLD Is a Solvent Free hand cleaner with a comprehensive blend of biodegradable surfactants with natural scrubbers, to give a hand cleaner that is able to shift most oils and greases quickly and effectively while protecting and moisturising the skin.

KLENZE GOLD is for use at the end of a working shift, or more frequently as required.

KLENZE GOLD is supplied in 4L pods that fit the AR100 heavy duty industrial dispenser. A full stroke from the AR100 will supply 5ml of hand cleaner - apply to dry hands and work in well to loosen all soiling. Rinse well with clear running water and dry hands thoroughly.

Advantages

1 SOLVENT FREE: Reducing the impact on the skin from solvents. Klenze Gold relies on a synergistic blend of mild surfactants to replace solvents, but still deliver effective removal.

2 DEEP CLEANING: Synergistic mild surfactants with natural scrubbers give a deep clean without skin damage.

3 ADDED MOISTURISERS: KLENZE GOLD contains a lanolin derivative, propylene glycol plus emollients and humectants to protect against dryness.

4 FRESH FRAGRANCE: A mild citrus fragrance pleasant after use.

Available in 6 x 1.8L Bags to fit the Brightwell Modular 2L Dispenser:
4XBPWWBPUM00

Available in 3 x 4 litres Pods to fit AR100 dispenser.
