

SMARTWASH

– ALL IN ONE – PRESOAK

Product Description: Castle has revolutionised the car wash industry once again, with an all-in-one product. Our experienced chemistry team has developed a combination of patented and proprietary chemistry, resulting in **SMARTWASH**, a game-changing product that is set to redefine car washing.

Smartwash is multi-use for: Auto Touch Free, Friction Auto, Tunnels and Self-Serve

Features/Benefits:

- **No Acid Pass Needed:** Bid farewell to the need for an Acid or Low pH pass, improving safety and a quicker turnover of cars during peak times.
- **Comprehensive Soil Removal:** Eradicate both inorganic and organic soils effectively, achieving a new level of cleanliness as a maintenance wash.
- **All-in-One Solution:** Our single-pack product negates the requirement for additional boosting agents or detergents.
- **Equipment and Infrastructure Safe:** Unlike sulfuric acid-based products, our solution doesn't corrode equipment, concrete, or buildings. This translates to reduced maintenance expenses and a more modern site appearance.
- **Enhanced OH&S:** Having no acids and relying on minimal caustic levels, our product ensures the safety of staff and cars. Eliminate hazardous odours and EPA issues.
- **Cost-Effective Application:** Achieve cost savings through low application expenses, while using less chemical compared to standard Low/High presoak program.
- **Versatile Applications:** Not just limited as an auto PRE-SOAK, our product is equally effective in tunnel washes, roll overs and self-serve setups, serving as a safer presoak, wheel cleaner, and high-pressure soap, all without the need for additional products.
- **Proven Success:** Numerous sites have already experienced exceptional results, surpassing customer expectations.

Application:

We recommend one pass of SMARTWASH, with a dwell of 20-30 seconds. Volumes used will depend on equipment and water flow / pressure.

Use a Castle titration test kit, for best cleaning results.

Packaging sizes: 20L, 220L, 1000L. Code: 5510100

SHELF LIFE: As a quality assured manufacturer, Castle Chemicals has a stringent Quality assurance programme.
