# Stainless Steel Cleaner + Polish

- Contains no acids, water, silicones or abrasives.
- It will not cause spotting or streaking.
- Neutral pH plant-based solvent esters rapidly cut through grease and grime while maintaining a safe employee environment – also classified as Food Safe.
- It leaves a high-gloss, fingerprint-resistant, protective shine on all treated surfaces.
- For use on stainless steel, aluminium, copper, brass, carbon steel, and all other surfaces not harmed by solvents.

Available in a 6x750mL carton or 4L bottle.

**GREEN-PRO STAINLESS STEEL CLEANER AND POLISH is registered with Accord's rECoGonised environmental credentials scheme, and is listed on the NSW Local Government's Sustainable Choice product database.**
